A 12-month snapshot of Camp Fire response and recovery

A Note of Gratitude from our CEO

For 15 years the North Valley Community Foundation has focused on, encouraged and supported the very best of our human capacity to love and care for one another. Even with this dedication and work nothing could have prepared us for what we witnessed after the Camp Fire ravished our communities. The outpouring of support from around the globe filled our broken hearts with hope and love.

We were and continue to be in awe of the human capacity to give, to care and to love one another. It is why I know that without a doubt we will get through this tragedy. We will get through it and we will be stronger, braver and kinder because of it. Offering you my gratitude doesn’t begin to say it, you have a part of my heart.
